Walmart #2432

2500 Jamie Ln

Lincoln, NE 68512

August 3rd, 2018

To whom it may concern,

It is with extreme pleasure that I recommend Nathan Doher for employment within your organization and/or company. We have had the luxury of having Nathan as one of our employees since February of 2002. As assistant Manager of Walmart here in Lincoln, NE, I was his direct supervisor for numerous years from 2014 through the end of his employment in late 2018. Nathan and I have worked together closely on the success of our Fresh Area departments including Produce, Meat, Dairy and Frozen. Through his hard work and daily dedication he has contributed to our store's continuous sales and profit increases. Nathan's positive attitude and great work ethic has been contagious amongst his fellow associates and his friendly approachable personality has been very welcoming and complimentary daily by our customers. Nathan's approach to his daily routines, knowledge of his areas of responsibilities, and his capabilities to teach and train other associates has continued to contribute to our store's growing business. Nathan's professionalism he demonstrates, while learning new areas and trades as one of our associates, has grown rapidly over the course of our time together and he leaves no doubt in my mind that he will impact your success as well. If you have any questions or concerns you may contact me at the address stated above.

Best regards,

Eric Lange
